Create your own corner of the office and work With peace of mind wherever you go

Foshan Misimu Furniture Co., Ltd. founded by Mr. YipingXie in 2012, which located in Foshan Lecong, the largest furniture production base in Asia. We are a professional group corporation specializing in high-end and medium-end modern office, hotel, medical care, household, and redwood furniture, integrating design, R&D, production, sales, and logistics. We have modern standard office furniture factories and 16 showrooms totaling over 100,000 square meters, and built strong relationships with more than 2,000 loyal dealers across the country as well as strategic partnerships With government - owned enterprises Institutions and private companies. Our strong online team has nearly one million followers throughout the network, and has established a certain market reputation while selling products. The development of the company has also cultivated a group of excellent quality management, technology, sales personnel.

In 2017 based on our keen insight into market demand trends, we created a professional brand focusing on modern business office - Misimu, followed by office, mahogany, hotel furniture brand - Kufans in 2021

Misimu furniture always takes product quality assurance and customer service guarantee as the core concept. In terms of quality assurance, our modern factory imported a number production lines from Italy and Germany, using well-known hardware accessories at home and abroad. All the plates meet the formaldehyde release standards of national GB standard E1-class and European standard EO-class. At the same time, a well-developed quality monitoring system has been established to ensure that the whole line of products are more environmentally friendly and durable while being fashionable and stylish. In terms of service guarantee. We have nearly 300 employees, including the four leading spearhead of the General Manager's Office, Marketing Department, Design Department, and Operations Department, as well as the strong support of the Human Resources Department Finance Department, work together to provide customers With one-stop Furniture services that save Time Money, and worry with professional capabilities and fast response services.

We promote the "three good culture, that is— good products, good service and make good friends with customers". We always adhere to the -brand, internationalization, scale, industrialization • development strategy, committed to scientific management system, a variety of marketing channels and high-quality personnel mining and training. So that the company in the continuous expansion of market brand share at the same time to look at the world and the future, to achieve deep transformation and breakthrough of production technology with an enterprising attitude to complete the enterprise to take off.
